

Hiring Your Kids in Your Business

A Quickstart Guide for Small Business Owners

This free mini guide covers the essentials you need to know before hiring your child in your business. It's a smart way to save on taxes, teach responsibility, and build long-term wealth—when done the right way.

Why Hire Your Kids?

- ☐ Shift income to a lower tax bracket
- ☐ Reduce your taxable business income
- ☐ Teach your kids responsibility and money skills
- ☐ Potential to contribute to a custodial Roth IRA for your child

What You Need to Get Started

- ☐ Your business must be legitimate (LLC or sole proprietorship with an EIN)
- ☐ The work must be real and age-appropriate
- ☐ You must pay a fair, reasonable wage for the task
- ☐ Track hours worked and maintain payroll records

What's Not Included (But Is in the Full Toolkit!)

- • Sample job descriptions for kids
- • Timesheet and payroll templates
- • Fair wage and pay stub guidance
- • Roth IRA explainer with compound growth example
- • Printable tax-saving tracker and more
